Metallum Resources announces proposed \$5 million Non-brokered Private Placement Financing

March 21, 2022; Vancouver, British Columbia: Metallum Resources Inc. (TSXV: MZN) is pleased to announce that it proposes to complete, subject to acceptance by the TSX Venture Exchange, a non-brokered private placement of up to 83,340,000 units at \$0.06 per unit, to raise gross proceeds of \$5,000,400. Each unit consists of one common share of the Company and one warrant which will entitle the holder to purchase one additional common share at \$0.14 for two years from closing.

Red Cloud Securities Inc. and CPS Capital Group Pty Ltd are acting as finders in the financing.

Funds raised from the financing will be used for general working capital, and to accelerate the development of the Company's Superior zinc and copper project, the highest grade zinc project in North America (see press release dated [Oct 14, 2021](#)).

This news release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein in the United States or in any other jurisdiction. The securities referred to in this press release have not been and will not be registered under the U.S. Securities Act and may not be offered or sold without registration under the U.S. Securities Act and all applicable state securities laws or compliance with the requirements of an exemption from such registration.

Cautionary Note Regarding Forward-Looking Statements

Certain statements contained in this news release constitute forward-looking statements within the meaning of Canadian securities legislation. All statements included herein, other than statements of historical fact, are forward-looking statements and include, without limitation, statements about the proposed financing. Often, but not always, these forward looking statements can be identified by the use of words such as “estimate”, “estimates”, “estimated”, “potential”, “open”, “future”, “assumed”, “projected”, “used”, “detailed”, “has been”, “gain”, “upgraded”, “offset”, “limited”, “contained”, “reflecting”, “containing”, “remaining”, “to be”, “periodically”, or statements that events, “could” or “should” occur or be achieved and similar expressions, including negative variations.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by forward-looking statements. Such uncertainties and factors include, among others, whether the financing will be completed as planned; whether exploration and development of the Company’s properties will proceed as planned; changes in general economic conditions and financial markets; the Company or any joint venture partner not having the financial ability to meet its exploration and development goals; risks associated with the results of exploration and development activities, estimation of mineral resources and the geology, grade and continuity of mineral deposits; unanticipated costs and expenses; risks associated with COVID-19 including adverse impacts on the world economy, exploration efforts and the availability of personnel; and such other risks detailed from time to time in the Company’s quarterly and annual filings with securities regulators and available under the Company’s profile on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.

Forward-looking statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to: that the financing will be completed as planned; that the Company’s stated goals and planned exploration and development activities will be achieved; that there will be no material adverse change affecting the Company or its properties; and such other assumptions as set out herein. Forward-looking statements are made as of the date hereof and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on forward-looking statements.
